Subject: SPAM-LOW: WSA needs U10 HEAD Coaches

Dear Parents/Guardians,

Westchase Soccer Association relies heavily on volunteers to provide programs for its participants each season. The WSA Board, administration, referees and coaches are ALL volunteers and we cannot operate without a team of reliable volunteers. Every season we especially need Head coaches. We thank those of you who have already made a commitment this season by volunteering in those areas.

Unfortunately, **WSA is short two Head coaches in the Under 10 age group** based on the number of participants enrolled. We must have one Head coach per team in order to create teams. If you have volunteered to be an Assistant coach, we ask that you re-consider your commitment and, if possible, volunteer to be a Head Coach.

If you have not volunteered to coach, please do not sit back in the hope that someone else will. If you are reluctant based on your knowledge of the game, our Player Development Officer will be available to provide some guidance and assistance with running practices. Please go to the Coaches' Corner of our website and review the Coaching FAQ's for additional information.

If we do not get two volunteers for Head Coaches by midnight, Saturday, February 6, we will have no choice but to reduce enrollment by issuing refunds. WSA cannot increase the number of players per team in this age group because it will affect the amount of playing time allotted per player, plus coaches complained that it was difficult to manage larger teams. This means over 20 children may be removed from the Under 10 program. Those affected (i.e. receiving refunds) will receive notification no later than March 1. Unfortunately, WSA does not have sufficient volunteer resources to respond to enquiries about the status of the coaching situation, answer individual questions or make phone calls. Please review the Coaching FAQ's on the website before you make a commitment.

All coaches MUST submit a fully completed Volunteer Application form in order for a background check to be performed. Please visit the Coaches' Corner to download the Volunteer Application forms.

If you are willing to make the commitment to be the HEAD Coach of YOUR child's team, please do one of the following:

Email a completed Volunteer Application AND a copy of your Driver's License to S10Volunteers@westchasesoccer.org by midnight, February 6, 2010.

OR

Drop off the completed Volunteer Application AND a copy of your Driver's License to the volunteers at the Skills Assessment check-in desk on Saturday, February 6 between 9:00 a.m. – 11:00 a.m. at Glencliff Park.

Please consider making a commitment to be the Head coach of your child's team. Your child will be proud of you!

Regards,

Westchase Soccer Association
